Video games

The best form of entertainment or time wasters?

Video games are more than entertainment

- Epic soundtracks
- Voice-overs by famous singers
- Hollywood-like animation
- Tell a story differently
  → player is part of the story
- Impact on society
  → representation

Review

The Legend of Zelda: Tears of the Kingdom

Nintendo Switch | Age 10+ | $60 as of review

Our score:	●●●●●
Parents say:	●●●●●
Kids say:	●●●●●

●●●●◍

- A new fantasy story with themes of friendship, duty, and love
- Interesting characters
- Enormous game you can spend 100-200 hours in

●●●●◍

- Beautiful landscapes
- Lags and stutters when a lot is happening at once

●●◍◍◍

- Lots of returning songs
- Can get repetetive
- Very minimalistic
- Good voice acting in cutscenes

●●●◍◍

- Reading skills required (English, Japanese, German, Italian, Spanish, …)
- Puzzles and combat can be challenging
- Optional motion controls may assist players with disabilities.

The Legend of Zelda: Tears of the Kingdom builds on everything players loved about the last Zelda game by improving how you play in meaningful ways. With the new building system, players can now create weapons, vehicles, and objects by combining different items. What happens if you add wheels to a plank? A rocket to a set of wings? A sword to a shield? This is what makes the game so much fun.

The game world is now even bigger and more fascinating to explore. It's a land filled with new secrets, like flying islands in the sky or cave systems players can explore Minecraft-style or.

Overall, The Legend of Zelda: Tears of the Kingdom is a worthy successor to one of the best games ever made and one of the best games of 2023.

by Chad Sapieha and John Rairdin [adapted]

Mediation von Texten

- Gib nur **das Wesentliche** sinngemäß wieder.
- Verwende **kurze und einfache** Sätze.
